*You can count the number of seeds in a mango,  
but only God can count the number of mangoes in a seed.*  
(modified from quote by Karen Jensen)

Do you have a story of a real person who began to pursue their passion or talent as a child? Did he or she have to overcome adversity or obstacles along the way?

**Mango Potential** books are non-fiction stories of young people finding and pursuing their purpose. The **Mango Potential Series** is a follow-up to the picture book, [Little Mango in a Big World](#). One of the many takeaways in that book is that all children, regardless of their circumstances, have potential.
